14th March 2023

Dear Parents

On Friday 17th March 2023 - the children will be planting 100 small trees on the field.

This is an opportunity for the children at SJF to leave behind a legacy - Trees are vital. As the biggest plants on the planet, they give us oxygen, store carbon, stabilise the soil and give life to the world's wildlife - so the children are contributing to quality of life for future generations.

For your child to take part they will need to come to school:-

- Wearing clothes that can get dirty
- Shoes that can get dirty - wellies are great if they have some

We really want this to be a lived and shared experience for all of the children.

We are reminded by the words of John in John 1:3 that through God all things were made.

'Through him all things were made; without him nothing was made that has been made.' [John 1:3](#)

So together let us start to make a real change - our change starts Friday 17th March 2023.

Many thanks

Miss L McLaughlin
