Monday 11th September 2023

Dear Parents

As part of the Year 5 Science topic, space, a school trip has been organized for the class to visit the Royal Observatory on Tuesday 19th September 2023. They will be learning about the Solar system and taking part in a series of interactive workshops which will encourage them to think about the earth and moon's motion through space.

As all children are now entitled to free school meals, they will be provided with a packed lunch for the trip. However, you can send an extra drink and snack with your child on the day.

There will be a charge of £5 for this trip. Children should also wear their school uniform.

Please sign the permission slip below and return back to school.

Best wishes,

Ms Keto-Edwards/Mrs Bennett

Reply Slip

I give permission for _____ to visit the Royal Observatory, Greenwich on the 19th September 2023. I enclose £5 to cover the cost of this trip.
