Dear Parents

I would like to say a huge thank you to everyone within our school community for all your support during what has been a very unusual few weeks leading up to the end of the Spring term.

The staff have continued to work incredible hard, not only looking after the children's academic learning and development but their emotional development also.

In such difficult times, we understand that many adults and children need time to adjust to new routines and live in hope of going back to life before COVID-19. This is something that we are all feeling - please do not put undue pressure on yourselves or your children.

Continue to engage with the learning where you can but also enjoy time reading, cooking, playing games and doing crafts with your children...these will be the memories that they hold on to once normality resumes.

Next week is the start of the Easter holidays and I just wanted to take this time to keep you updated with our plans for next week.
