20th September 2021

Dear Parents

I have been informed today we have a positive case of COVID-19 in school.

Protocol was followed by arranging a PCR test as soon as Covid-19 symptoms began. The result of the PCR was positive so 10 days of isolation has begun for the positive case. I am sure that you will all join me in wishing them a speedy recovery.

Please note that the NHS now conducts all contact tracing for positive test results and will be in contact to identify close contacts.

Individuals that are identified as close contacts no longer need to isolate, but should arrange a PCR test and inform the school of the result on 0208 310 7311.

I kindly ask that parents remain vigilant and if children display any of the common systems of Covid-19 (*Fever or chills, Cough, Nasal congestion or runny nose, New loss of taste or smell, Sore throat, Shortness of breath or difficulty breathing, Diarrhea, Nausea or vomiting, Stomach-ache, Tiredness, Headache and Muscle or body aches*) they must isolate immediately, inform the school on 0208 310 7311 and arrange for their child to take a PCR test as soon as possible.

A reminder that on the school website work is pre-set for children who are isolating - they can contact their teacher through SeeSaw.

Kind regards

Miss S Griffin
Headteacher
