2ND October 2019

Dear Parents

ST JOHN FISHER CATHOLIC PRIMARY SCHOOL GOVERNING BODY ELECTION OF PARENT GOVERNOR

Following my letter to you of 11th September 2019, I am now writing to invite you to vote for two parents nominated as parent governors.

Statements from each of the nominees and a ballot paper are attached.

Each parent will have a ballot paper on which to place a cross against his or her preferred candidates.

Please return your ballot papers separately in an unmarked sealed envelope. Sign across the seal and print your name in **BLOCK** letters underneath your signature. This will enable me to check names against the school register, thus ensuring correct returns have been made. Please mark envelope **PARENT GOVERNOR ELECTION**.

Please return your ballot paper to me by Noon on Wednesday 9th October 2019.

This may be sent by post or given to your child to bring to school.

In the event of a tie lots will be drawn.

Thank you for your cooperation. Please do not hesitate to contact me if you have any queries.

Yours sincerely

Ms P Osobase
Chair of Governors

Supporting Statements

<p>RICHARD ROTIMI</p>	<p>I wish to stand for Parent Governor as I wish to learn more about how the school is run and to support the staff and children. I want to have a better understanding and input into the school curriculum, policies, finances and the overall development of the School.</p> <p>In my professional life I have vast experience in a range of areas relevant to the role: from chairing and participating in various committees to study development, leadership and staff mentoring, liaising with external bodies and sponsors. I have undertaken extensive training in Health and Safety, Equity and Diversity.</p> <p>I am committed to undertake any training to help me deliver this role.</p>
<p>SOLANGE DIBOA</p>	<p>I strongly believe St John Fisher is an outstanding school which creates a very positive learning environment and a safe place for our children. As a mother of four children all of whom have either attended or are still attending St John Fisher I feel now is the time for me to have a more active role within the school framework.</p> <p>As the parent governor I would be the link between the parents and the school hence being the voice of the parents. I fully understand this role is about working in harmony with the school systems for the greater good.</p> <p>I am committed to undertake any training to help me deliver this role.</p>
<p>TUNJI GBADAMOSI</p>	<p>I am very passionate about education and will use this passion to work closely with all stakeholders at St John Fisher School. To ensure the outstanding learning and behaviour standards are maintained. I will work with the team to support the school towards achieving its aims and objectives - ensuring the school explores its distinctive competencies such that pupils and staff are empowered to fulfil their full potential. Above all, the focus will be about giving all stakeholders the best possible experience within the confine of the existing regulatory framework.</p>
<p>FAITH MAGUAJE</p>	<p>I have been working as a retail assistant for about three years and working in this sector has enabled me to gain some great skills in dealing with customers; for example patient and attentive to customers. Having realised that in my list of priorities the future of my kids comes first. So I have applied for a Level 1 Teaching Assistant Course and have started this Sept 2019. This will help me improve in academia and able to support my kids with their school work and guide them.</p> <p>I believe as a parent governor I need to be able to listen to the voice of the parents, care for the welfare of all and be able to be confidential at all times.</p>
