

OUR MISSION STATEMENT

In this inclusive school, we embrace the teaching of Christ.

We welcome all people into the school community, regardless of race, culture or religion.

We empower everyone to achieve their full potential.

We celebrate the gifts of each individual in the positive environment where we work, learn and live the Gospel.

We create a caring, secure and happy environment where children want to learn.

Schools have a statutory responsibility under section 175 of the Education Act 2002 to safeguard and promote the welfare of children both in and out of school.

As a parent/guardian I understand that I am responsible for disciplining my children or those under my care when they are not in school. I fully understand and am aware that the use of physical force in disciplining them may be illegal in certain circumstances. This may include where an implement has been used or where the use of that force has resulted in injury and the use of prolonged physical stress positions. (This is where children are placed in a position of discomfort for a long period of time). I understand in these circumstances the school has a statutory duty to report such incidents to Children's Social Care and that the police may be asked to investigate.

Should you want further information on statutory guidance and legislation please go to the schools child protection policy on the schools website.
