7th January 2025

Dear Parents and Guardians,

Forest School

Dear Parents and Carers,

We are excited to share that our Forest School sessions will be starting on Wednesday afternoons from 15th January until half-term. These outdoor learning sessions are designed to encourage children to engage with nature, develop new skills, and foster a love of the outdoors.

To ensure that your child is comfortable and fully prepared for all weather conditions, we kindly ask that you provide the following essential items:

- **Wellington boots** – Waterproof and sturdy footwear that will keep their feet dry and protected.
- **Waterproof clothing** – A good quality, breathable waterproof jacket and trousers to keep them warm and dry during outdoor activities.

The weather can often be unpredictable, so having the right gear is crucial to ensure your child enjoys the sessions, whatever the weather may be. If you have any concerns about sourcing these items, please do let us know, and we will try to offer support.

Additionally, we ask that you complete and return the attached **Medical Information Form** as soon as possible. This form is important for us to ensure we have up-to-date details about any health concerns or allergies your child may have, allowing us to provide the best care during Forest School sessions.

Thank you for your cooperation and support. We are looking forward to a wonderful and adventurous time in the forest!

Kind regards

Ms Keto-Edwards and Ms Baldwin
