19TH March 2020

Dear Parents and Carers

Educational Provision for children of 'Key Workers'

In these difficult circumstances, the school is committed to ensuring we continue to support all families to the very best of our ability. I am aware that many of you continue to fulfil essential professional and vocational roles across numerous key sectors currently under pressure. We are all grateful for your service to our families and extend our thanks to you over the coming weeks.

In light of the potential contingency measures shared yesterday, I would ask that if you need your child to access childcare in order that you can continue to carry out your professional duties as a key worker (as NHS staff, Emergency Service workers, Prison Service workers or supply chain drivers) you must identify this by returning this letter to school tomorrow morning by 10am.

Where both parents are Key Workers and care cannot be provided at home please complete the table below:-

	MOTHER	FATHER
Pupil Name:		
Year Group:		
Parent Name:		
Key Worker Role/Parent Profession		

I am a key worker but DO NOT need access to childcare.

Upon receiving this information, I can ensure we will liaise with the Local Authority as effectively as possible. We are expecting further clarification from the DfE and Local Authority today. At this point I cannot guarantee where this provision will be available.

I reiterate that the school has no confirmed cases of Coronavirus Covid19 at this moment in time, and that despite increasing numbers of staff members having to self-isolate in accordance with guidance, we have managed to remain fully open.

I would like to thank you for your ongoing support.

Yours faithfully,

Miss Sarah Griffin
Head Teacher
