Dear Parents

Our CSI Inspection Report has arrived and we are delighted to be able to share it with you. Below are some of the wonderful comments made about our school.

We are OUTSTANDING!

'St John Fisher is a warm, welcoming school which celebrates its distinctive Catholic identity. Pupils understand and embrace this...'

'Pupils' excellent attitude to learning shows there is a genuine desire to learn more and understand more.'

'Sense of community and welcome is tangible.'

'The pupils' experience of prayer and liturgy engages them deeply, they behave in a most reverential manner and participate fully.'

"Pupils' behaviour throughout the school is exemplary."

We wish to thank all the stakeholders (Staff, Governors, Parents and Local Parish) who completed the questionnaires, spoke with the inspectors and most of all - the children who were amazing!

Well Done Everyone!
